Another success for HT Artists!

Kyra Siduna year 5 writes:

“On Thursday 25th January my mum and I went to the Town Hall to receive my Road Safety and School Travel award. First we all went into a room and had something to eat. Next, we all sat in a hall, received our certificates and had a picture taken with the Mayor, Cllr Marie-Therese Rossi. Finally, all 36 of us collected our goodie bags and artwork”

Well done Kyra!!!

School Council at St Paul's

The Junior School Councilors represented Holy Trinity at St Paul's Cathedral Annual Church Schools Service. The Cathedral was filled with hundreds of children, parents, governors,

clergy and staff from schools across London. It was closed to the public during the service, making it private and very special. Holy Trinity sat directly under the dome, which was spectacular; it was also a real privilege to sit next to Tower Hamlets Deanery Children's Choir, who sounded amazing.

By coincidence we sat directly behind another Holy Trinity School from Tottenham, so we had the inevitable football conversation.

Our New Clubs Are Up and Running.

Football club has really grabbed a lot of people's attention. For those of you who are not yet aware of this, Year 3&4 train on Tuesdays, Year 5&6 on Fridays, and **from February 19th, Year 1&2 will train on Mondays**. All football training ends at 4.30. Interested? Speak to Mr Phillips.

Breakfast club. Congratulations to Rayhan (Y5) who won the inaugural Breakfast Club Competition, Connect 4. Rayhan won 25 house points, and other goodies. He was also Top Scorer in the juniors that week...

All the other clubs have space, should you wish for your child to learn a new language, sing, or hit some drums...

British Science Week 12-16 March

We will be participating in British Science week this year, and there will be activities all week. The week will culminate with a special celebration of terrific scientific fancy dress on the Friday – come to school dressed up as a famous scientist (there are many more than just Albert Einstein – Mary Curie, for example).

Save the Date...

E-Safety session for parents.
